

## AMY and GEORGE

CHICAGO, ILLINOIS

design by Big City Bride and Anthony Gowder Designs of Chicago, IL

- 1 **Orchid Encore** • Showers of white phalaenopsis orchids repeated in crystal pedestal vases complemented the gilded, baroque décor of the Drake Grand Ballroom.
- 2 **Perfect Match** • Guests left with stylish containers of matches imprinted with the couple's new monogram.
- 3 **Rose Mosaic** • Amy carried an ingenious bouquet design of individual ivory rose petals assembled to give the illusion of one big bloom.
- 4 **Wedding Wands** • Guests waved wands made by the bride and her mother as the couple made their grand exit after the ceremony. White satin ribbons were decorated with the couple's names and wedding date in gold.
- 5 **Fancy Geometry** • A circle of roses and hydrangeas atop a cone of white satin ribbon festooned with an ellipse of dendrobium orchids made for a shapely, sophisticated pew marker.
- 6 **Flour Tower** • The Drake Hotel created this five-layer chocolate cake filled with white chocolate and finished with vanilla icing. Rows of white roses separated each tier.
- 7 **Just Desserts** • An assortment of delectable sweets completed the wedding feast.
